About Best Lawyers

Since it was first published in 1983, Best Lawyers has become universally regarded as the definitive guide to legal excellence. Best Lawyers lists are compiled based on an exhaustive peer review evaluation. Over 83,000 leading attorneys globally are eligible to vote, and we have received more than 13 million votes to date on the legal abilities of other lawyers based on their specific practice areas around the world. For the 2017 Edition of The Best Lawyers in America®, 7.3 million votes were analyzed, which resulted in almost 55,000 leading lawyers being included in the new edition. Lawyers are not required to pay a fee to be listed; therefore inclusion in Best Lawyers is considered to be a singular honor. Corporate Counsel magazine has called Best Lawyers “the most respected referral list of attorneys in practice.
